

SYNTHETIC TEST RESUME - NOT A REAL PERSON

Candidate: Operations and Client Services Manager

Location: Sault Ste. Marie, Ontario

Target role: Senior Manager of Operations & Client Services

Work preference: Full-time, daytime business hours

SUMMARY

Operations and client service leader with 9 years of experience supporting bookkeeping, accounting operations, property-management administration, workflow improvement, and business software implementation. Comfortable leading small teams, improving processes, supporting client onboarding, and coordinating technology projects across Microsoft 365, SharePoint, QuickBooks Online, QuickBooks Desktop, Sage 50, Adobe PDF tools, and cloud-based office systems.

WORK HISTORY

Operations Manager

Northern Business Support Group, Sault Ste. Marie, ON

2021 to present

- Lead a team of 8 bookkeeping and client-service staff supporting small business, property-management, and professional-service clients.
- Oversee workflow management, staff coordination, client service standards, billing follow-up, WIP tracking, and accounts receivable review.
- Act as escalation point for complex bookkeeping, client communication, QuickBooks Online setup, and monthly reporting issues.
- Led onboarding for 40+ new bookkeeping clients, including quotes, engagement documentation, file transition, and implementation planning.
- Coordinated Microsoft 365, SharePoint, user access, Adobe PDF workflows, and cloud software improvements with outside IT vendors.
- Improved month-end process timing by documenting procedures, assigning ownership, and introducing automation checklists.

Office and Bookkeeping Supervisor

Algoma Property Administration Services, Sault Ste. Marie, ON

2017 to 2021

- Supervised a four-person office team handling rent ledger review, client invoicing, vendor coordination, bank deposits, and tenant account questions.
- Used QuickBooks Desktop, QuickBooks Online, Sage 50, Excel, Outlook, Teams, and SharePoint for bookkeeping and administrative operations.
- Prepared client-service reports, supported budgeting, reviewed receivables, and helped management evaluate profitability by client account.
- Trained staff on consistent file naming, document control, client communication templates, and billing procedures.

Bookkeeping and Client Service Coordinator

Ruscio Family Holdings Support Office, Sault Ste. Marie, ON

2015 to 2017

- Maintained bookkeeping records, reconciled accounts, prepared invoices, and answered client service requests.
- Supported process improvement projects involving Microsoft Office, PDF forms, shared

drives, and customer records.

EDUCATION

Business Administration Diploma
Sault College, 2014

CERTIFICATIONS AND TRAINING

- QuickBooks Online Advanced training
- Microsoft 365 administration fundamentals
- WHMIS 2015
- Workplace cyber security awareness
