

SYNTHETIC TEST RESUME - NOT A REAL PERSON

Candidate: Apprentice Truck and Coach Technician

Location: Sault Ste. Marie, Ontario

Target role: Truck and Coach Technician

Work preference: Full-time, days or rotating shifts

SUMMARY

Hands-on apprentice mechanic with experience in truck service, diesel engine diagnosis, emergency repair support, welding, preventive maintenance, and computerized diagnostic tools. Strong shop safety habits and experience supporting licensed technicians on heavy trucks, trailers, brakes, suspension, electrical systems, and hydraulic systems.

IMPORTANT CREDENTIAL NOTE FOR TESTING

This resume intentionally does NOT list a Class G driver's licence and does NOT list a 310T Truck and Coach Technician Certificate of Qualification. The expected SkillBridge result is a stretch match when those credentials are required.

WORK HISTORY

Apprentice Truck and Coach Technician

Northern Fleet Services, Sault Ste. Marie, ON

2022 to present
